

## Colorado Flight Information Schedule

We look forward to an exciting trip!

Below is the time window we need you to be at the Denver International Airport (DEN) so that we can pick you up.

After you have your flight booked, we will collect your information so we can better arrange pick-up logistics.

### ARRIVALS

The **ideal** flight arrival times are:

**Tuesday June 18** between 8am to 2pm

Please try to arrive during these times!

We will pick you up from baggage claim when your flight lands and help carry your bags to our van.

If you arrive before 8am, that is OK too. Just know that we you may need to wait in the airport a little bit until we arrive to pick you up.

Our 1<sup>st</sup> night camping area and Opening Ceremony location is about a 1.5 hour drive from the airport.

You may also wish to just arrive on Monday (June 17) and spend the night at a hotel at your expense. You can get a free airport shuttle to a nearby hotel.

We will pick you up at the hotel the next day (Tuesday morning) around 10:30 or 11 am (or whenever your check out time is).

### DEPARTURES

The **ideal** flight departure times are:

**Wednesday June 26** starting at 8am and anytime after.

Feel free to contact us if you have any questions or need some clarification.

In the spirit of adventure,  
The Tech Treks Team
